Madam/Sir,

Greetings from ASSOCHAM & FIDC

The canvas of financial system in India portrays a picture of players of different hues and diverse opportunities. Over a past decade the Non-Banking Financial Companies (NBFCs) have emerged as strong financial intermediaries and form an integral part of the Indian Financial system. They have been very instrumental in contributing towards the Government's agenda of Financial Inclusion by facilitating credit to the customers in the relatively under served and unbanked areas. They play a complementary role in banking system by broadening access to financial services, enhancing completion and diversification of the financial sector.

With an objective to contemplate the issues and challenges being faced by NBFCs and suggest measures that can be taken to optimize their contribution thereto **ASSOCHAM** in partnership with **Finance Industry Development Council (FIDC)-a Self Regulatory Organization of Asset Financing NBFCs** is organizing a summit on **"Non-Banking Finance Companies – Game Changers"** on **23rd January, 2014 at Hotel Le Meridien New Delhi.**

The summit will deliberate on the following topics:

- 1. Technical Session I - Role of NBFCs in promoting Financial Inclusion**
- 2. Technical Session II - Fund Raising (Domestic & International)**

3. Technical Session III - Way forward for NBFCs in India

We are pleased to share that **Shri. J. D. Seelam**, Hon'ble Minister of State for Finance (Revenue) has confirmed to be the **Chief Guest** of this summit. **Shri P. Vijaya Bhaskar**, Executive Director, Reserve Bank of India and **Dr. Nachiket Mor**, Central Board Member, Reserve Bank of India have confirmed to grace the Inaugural Session & Technical Session respectively.
