27th Annual World Leasing Convention

June 9 - 10, 2009

London, England

During "good" times, attendance at conventions/conferences is more of a luxury, less of a necessity; however, during "bad" times, it is just the opposite!

The 27th Annual World Leasing Convention will be held in London, June 9 and 10. It will be chaired by Mr. Sudhir P. Amembal, who has had the privilege of chairing this prestigious annual event since 1993. Prior to the workshop, on June 8, Mr. Amembal will be teaching his increasingly popular workshop, "A Movement To Operating Leases."

Last year, over 200 leasing professionals from over 40 countries gathered in Amsterdam to attend the 25th Annual Convention. The Convention, as always, will feature talented speakers from throughout the world. The focus of many presentations, undoubtedly, will be on the challenges and opportunities faced by the leasing industry during the current macroeconomic crisis.

Those registering through Amembal & Associates will be sent a complimentary copy of our industry best selling publication, *Winning With Leasing!* This offer does not apply to those who have already registered with Euromoney.
